

This architectural section drawing illustrates the facade of a building, featuring a prominent yellow sign with the text "STOP SHOP" in bold black letters. The drawing includes detailed dimensions for the building's height and the sign's placement. The total height of the building is 2400 units. The sign is positioned at the top, with a height of 490 units. The building's facade is divided into a grid of rectangular panels. The width of the building is 1910 units, and the width of the sign is 325 units. The drawing also shows the building's foundation and the ground level, marked as ±0.00. The ground level is indicated by a horizontal line with a triangle pointing to it, labeled "±0.00" and "TERRAIN". The building's foundation is shown as a series of vertical lines with cross-hatching, indicating a concrete base. The drawing is a technical representation of a building facade, showing the relationship between the building's structure and the sign.
